Sunset Ridge 6th Grade Hawk Band Handbook 2013-2014

Dear Band Parents and Students,

Welcome to a new school year and a new band season. I am so excited to have all of you in band and cannot wait to have an excellent year together. **Advanced Band classes (6th Grade Band) will begin the week of August 19.** Schedules will be handed out to students as soon as they are available. During this school year, we will work together to further your musical development. After all, choosing to develop these skills is proven to yield better grades, higher test scores, better math comprehension, and fosters a sense of teamwork.

As I am new to Sunset Ridge, I'd like to tell you a little bit about myself. This is my fourth year in the Deer Valley Unified School District. I come to Sunset Ridge from Village Meadows as the music, band, and choir director. Prior to Village Meadows Elementary, I was split between Mountain Shadows and Bellair Elementaries as the general music and choir director. I am extremely excited to move into the band director position at Sunset Ridge, as my doctorate is in instrumental performance (oboe specifically). During the fall season, I will be on staff with the Boulder Creek High School Marching Band as the woodwind tech. I am looking forward to a fun year with many new experiences as we learn together.

The following is a handbook that holds information deemed important to the band program. We will go over these pages briefly in class, but it is important that both parent and student know the guidelines. The last page must be completed, signed, detached, and returned by _____. This will be the first graded assignment in band! Please keep the rest of the handbook for your personal reference. A copy will also be made available on our band website: www.ssrhawkbands.weebly.com. This website will be a great resource as the year progresses. On our site, you can find calendars, interactive websites, handouts/important materials, AZ State Standards, tax credit information, and so much more!

We will be holding **an instrument rental night, hosted by Allegro Music, on Tuesday, August 20 at 5:30pm.** This rental night will begin with a 30 minute informational/meet the teacher meeting. Feel free to attend even if you do not plan to rent an instrument. If you have any questions, please e-mail me at caryn.kunz@dvusd.org.

Looking forward to a fabulous year,

Dr. Caryn Kunz

Attendance and Performances

Attendance is required at ALL performances and scheduled rehearsals (calendar available online). Concerts are an essential part of the band learning process. These performances highlight what has been learned in the classroom. As a result, attendance is required. If a student cannot make a performance, I must have written confirmation from a parent/guardian PRIOR to the event. Excused absences include: personal illness, family emergency. Students who miss a performance or scheduled rehearsal will be assigned an essay of 2-3 pages in length on a given topic and will present their findings to the class. Topics could include instrument history, performers on their instrument, or a selected composer. Essays are to be double spaced, font size 12.

There will be additional performances and festivals for selected students throughout the school year (All-State, Honor Band, Solo & Ensemble). I will bring those to your attention as soon as I get the information. I will post on our website as well as send information home as needed.

****Band is a YEAR LONG commitment. Students are expected to remain in the program for the full school year.****

- Band T-shirt – I am looking into ordering band t-shirts for more casual performances, field trips, and/or spirit days. More information will come home should this be chosen.

Grades

Grades are given on a point system. This system is meant to encourage improvement and foster responsibility. Please check Power Schools for your child's most current grade. Allow up to 2 weeks for writing assignments to be inputted. Report cards are issued each quarter.

Grading Category	Approximate # of Points (subject to change)
Rehearsals	Students must attend band, be prepared, and participate fully to get total points possible <u>2 points per class</u> 2 points - Meets/Exceeds Objective 1 point - Approaches Objective 0 points - Falls Far Below Objective This includes any scheduled before/after school requirements.
Playing Exams	15-20 points each (5-10 per quarter)
Assignments	20 points per quarter (approx. 5 each) Most are done in class.
Concert Attendance	40 points per concert Each student plays an important role in a performance. One missing student can detract from a performance for all

Failing Grades

If a student maintains a failing grade for at least 2 consecutive grading periods (progress report or report card), it will be recommended the student be dropped from the band program. Given the effort, all students should be able to receive a passing grade.

Extra Credit/Make-Up Work/Retakes

Extra credit may be earned (up to 15 points per quarter) through the following activities:

- Private Lesson Study - 10 points for weekly lessons. Form made available and must be signed by the private lesson teacher 2 weeks prior to the end of a grading quarter.
- Attend Outside Concert - 5 points each. Prompt found on our band website. Student must write 1-2 page reflection of a concert they attended (instrumental only).
- Participation in Extra Music Activity - 5 points each. This includes other instrumental ensembles and performances outside of the Sunset Ridge community. These experiences are extremely rewarding and worthy of extra points.

Make-up work

- This is the student's responsibility to seek out missing assignments from the teacher. If the student does not obtain missed work, the assignment will be turned into a zero at the end of the quarter.
- Student has up until 2 weeks prior to the end of a grading quarter to return missed work due to an absence.

Retakes

- Any student that does not display mastery (grade of A-/E- or higher) and would like to retake a test, either written or playing, they must schedule a time with the teacher. During the fall quarter, I will be available most Tuesdays and Thursdays after school from 3:30-4:30 for scheduled retakes.

Homework

Students are expected to practice their instruments at their homes at least 100 minutes per week (20 minutes/5 times per week). This properly prepares them for class and helps them improve on their instruments. Practice logs may be used to track their practice sessions (more information to follow if used).

Instrument Rental/Repair

There are many companies in town from which you may rent your instrument. **We will be having an instrument rental night hosted by Allegro Music on Tuesday, August 20 at 5:30pm.** We will begin in the band room at 5:30pm for a short meet the teacher/curriculum introduction. We will then begin the actual rental presentation, which begins at 6pm. Rental Companies:

- Allegro Music - www.allegromusicaz.com - 8385 W Deer Valley Rd, Suite 106, Peoria, AZ 85382 - (623)215-2214
- Music & Arts - www.musicarts.com - 5350 W Bell Road Suite 132, Glendale, AZ 85308 - (602)504-0206
- Milano Music - www.milanomusic.com - 38 W Main St, Mesa, AZ 85201 - (480)827-1111
- Boogie Music - www.boogiemusic.com - 3562 W Cactus Rd, Phoenix, AZ 85029 - (602)978-6688

Proper instrument care and maintenance will keep repairs minimal. If your instrument does need repair and is a rental, please take it to the shop from which you rent. Many times you'll find they have an interim instrument that they will loan you during repairs. Check with your rental company! If your instrument is owned, check with Dr. Kunz to see if there is an extra school instrument that may be borrowed while yours is being fixed. Recommended repair shops:

- Allegro Music - www.allegromusicaz.com - 8385 W Deer Valley Rd, Suite 106, Peoria, AZ 85382 - (623)215-2214
- Plumb Perfect Repair - www.plumbperfectrepair.com - 14633 N 32nd Lane, Phoenix, AZ 85053 - (623)375-3920

A **limited** number of school instruments are available for free rental for student use. Many of these instruments are older, but still in working order. These instruments will be assigned on a "first come, first serve" basis, with priority given to the 5th/6th grade band students. As an advanced 7th/8th grade band member, it is asked that rental from a music store is considered for a higher-level instrument that has a repair guarantee. To request a school instrument for rental:

1. Complete and return an instrument request form explaining the reason(s) for this request.
2. Parent completes and returns the DVUSD Instrument Rental Form.
3. Student/parent must purchase and bring/show all necessary instrument care supplies with them to class before instrument will be sent home with student (i.e. swabs, cork grease)
4. Student must demonstrate proper care for the instrument at all times. Any repair needed due to student negligence WILL be charged to the student and could lower their grade.
5. Student must take the instrument home for practice and show improvement and effort.

Using a school instrument for free is a great privilege. Any student that does not show the responsibility and guidelines listed above runs the risk of losing school rental privileges. Nothing will be done without a phone call home or conference first.

Schedules

Schedules are in the process of being completed. The bands will start rehearsing on the following days/weeks:

- **6th Grade Intermediate Hawk Band** - Begins the week of August 19. A schedule will be handed out to 6th grade students as soon as they are available (hopefully during the first

week of school). Students are expected to attend class with or without instruments and have all materials by the end of their first week of instruction.

- Students are responsible for knowing when their band time is. This is a pull out class and I will not be gathering the students.
- Unexcused absences will be marked as a zero. I will be available one time a week for make-up time (either scheduled during the day or before/after school - TBD)
